

Year 1/2 Home Learning – Autumn Term

Mathematics

(You must complete these activities)

- Learn your 2, 5 and 10 times tables.
- Play "Hit the Button" online.
- Make a picture by drawing round shapes found around the house. Write their names and properties.
- There are activities on Mathematics for you to complete.

English – Writing, Phonics

(You must complete these activities)

- Walk somewhere in your local area. Make notes about what you can see, hear and smell. Use your notes to write a description. Remember to use capital letters and full stops.
- Learn to write your home address.
- **REMEMBER TO COMPLETE YOUR WEEKLY PHONICS TASK TOO.**

English – Reading

(You must complete these activities)

- Visit the library.
- Read to someone you've never read to before.
- Read about our local area, discover what places there are to visit on our doorstep.
- Draw a picture of your favourite book character and write some sentences about them. Think about what they look like, what they think and how they feel.

Science

Create a picture/model of the bones in your body. Can you label the parts?

On Our Doorstep

Art / Design Technology

Use your Design and Technology skills: joining, marking and cutting, folding, tearing and cutting to make a model of your home or a significant building in the local area. Can you name the external features of your chosen building and the materials used?

Geography/History

- Choose a place that you like to visit. Can you find out about its history? When was it built? Has it always been used in the same way?
- Draw a simple map of your journey from home to school. Label the things you see.

- You must **complete all the core activities** above (Mathematics, English and Reading)
- Select **three** topic activities to complete. You can choose which activities you find the most interesting.
- **Presentation must be your best!**

Check-up date: Thursday 17th October 2019

Hand in date: Friday 13th December 2019

Showcase: Monday 16th December 2019

RE

Retell the story of Creation. You could write the story, make a poster, use the computer or role play the story and take photographs.
