## Zacchaeus come down!

Zacchaeus couldn't see Jesus. He was short of stature and there was a crowd around him but that didn't stop him. He was so eager to experience Jesus that he did something drastic: risking embarrassment and ridicule he climbed a tree.

We all have handicaps – prejudices, misconceptions, spiritual laziness, fears and doubts, and so on – which obstruct our view of Jesus. And we all have short stature; we are much smaller than God and cannot see what he sees. In our desire to see Jesus as he really is we should do everything possible to find a way around all obstacles and spiritual handicaps. Then we can answer him when he calls us.
