

# St. Anthony's Little Church

Jesus said, "The children of this world take wives and husbands, but those who are judged worthy of a place in the other world and in the resurrection from the dead do not marry because they can no longer die, for they are the same as the angels, and being children of the resurrection they are sons of God."

## The fullness of life

Its hard to imagine heaven. Its not just an extension of life in this world - basically the same, but vastly improved. It really has less to do with physical things and more to do with relationships, though not in the way that people marry in this world.

Even though the mother and her seven sons knew nothing of resurrection in Old Testament times they instinctively knew that heaven was to do with faithfulness, acting like God, becoming like God. The great way Jesus affirmed the hope for resurrection was by his own rising from the dead. His resurrection is the channel through which God's Spirit will flow to all those who have died to restore them to life.

## CAFOD & child refugees

Half of the world's refugees are children with thousands taking flight without the protection of parents or other family members. It is through your support and prayer that CAFOD can provide support for child refugees in countries such as Lebanon and Jordan working with Palestinian, Iraqi and Syrian young people. We are training young people for employment, encouraging children to play, and providing safe spaces for those who have suffered trauma.
