New Classes for September 2021

Please see attached letter to parents/carers regarding classes in September.

Eat Well for Less

We are currently casting for our 8th series and are looking for families / households who would like to eat well and save some money on their weekly shop. I've popped some information about the series below for you...

"The show is on a mission to prove that it is possible for families and households to **save money** on their food budget **without scrimping on taste and nutrition**. We hope that by analysing the shopping habits of UK families, we can help to show where they can source the best and cheapest quality food."

Eating well and to a budget is something we feel affects most of us. ***Please see attached flyer.***

Leavers Mass

This will take place on **Wednesday 14th July at 9:15am**. Parents of Y6 are welcome to attend but will be asked to track and trace and also be expected to socially distance in church as per Covid rules.

Thoughts....

We are considering keeping our Celebration Assembly online as we feel this works well for us for organisation. We also thought that it is convenient to parents to be able to join us and have less time taken up from their working day. If you have any strong feelings as to why we should not continue online for these assemblies, please email Mrs Ballard on **head@st-anthonys.lancs.sch.uk** and we'll consider your thoughts when we are planning for next year.

The children will receive an award each and some children will receive special recognition for outstanding performance, effort and contribution throughout their primary school life.
