NO AWARDS THIS WEEK

Dear Parents

It was wonderful to welcome the children back to school on Thursday. They all looked happy to be back and starting a new school year and term.

Whilst we proceed with caution regarding Covid, we are getting back to a normal school day with much more opportunities for the children to meet friends in other classes and enjoy lunchtimes and playtimes together. We do still have guidance around ventilation and threshold of Covid cases in school but you will be relieved to hear that there will be no shutting of bubbles/classes if there is a Covid case. As always, we have to operate safely and if cases rise, we will be liaising with Public Health to support us in keeping the spread to a minimum.

Please see the letter, which will accompany the newsletter this week, as this will tell you more details about what to expect.

We cannot wait to begin again with some of the activities that we have not been able to do so look out of the events coming up that you may not want to miss.

We are going to continue to do our Celebration Assembly on Fridays online so that it makes it easier for parents to login from work. It is lovely to see parents joining us but we understand if you cannot.

I look forward to meeting our newest pupils in Reception when they start and hope that they settle in well and enjoy their first school adventure.

Have a lovely weekend.

Mrs Ballard
