### **Morrisons Vouchers**

School are now collecting Morrisons vouchers and would be grateful for any contributions. There is a collection box in the main entrance and thank you in advance!! Further information to follow.

### **Recycle 4 Charity**

We have been invited to join a community of over 1000 schools across the UK in recycling printer ink cartridges. This will raise vital funds to support curricular activities whilst benefitting the environment. There is now an ink cartridge recycling box in the main entrance where you can deposit your used cartridges. Thank you.

### **Stomach bugs**

Reminder to parents that children must only return to school 48hrs after their last bout of sickness/diarrhoea.

### **COVID**

The COVID Team at LCC has advised that if a child is having a PCR due to a family member testing positive, the child should still attend school whilst awaiting their PCR result if they have no symptoms themselves. If they do not attend, it will be recorded as an unauthorised absence.

### **Covid communications**

Please refer to the letter sent out regarding what to do if your child has Covid symptoms. If we have a positive case in a class, ie Y1/2S, then we will communicate this to the parents of that team only, ie to all in Y1/2S, Y1/2T & Y1/2A. We won't be letting the whole school know unless cases start to rise, and we have had advice from PHE.

### **Nut Allergy**

A reminder not to send anything into school containing nuts. We have a number of children in school with nut allergies, thank you.
