

EYFS Key Skills

St Anthony's EYFS team facilitate, support and extend the early opportunities that children have in becoming competent users of technology. We hope that with enhanced provision and dedicated computing units throughout the year, our children will be confident and happy when using ICT equipment. At all times modelling and encouraging a safe and conscientious application, as they are exposed to how important technology plays in the world around them.

- ✓ Use different digital devices.
- ✓ Recognise that you can access content on a digital device.
- ✓ Use a mouse, touchscreen or an appropriate access device to target and select options on screen.
- ✓ Recognise a selection of digital devices
- ✓ Recognise the basic parts of a computer, e.g. mouse, screen, and keyboard
- ✓ Select a digital device to fulfil a specific task, e.g. to take a photo.
