Dear Friends,

We just wanted to write and say a huge thank you to all of our supporters and partners for the incredibly generous support that we have received throughout this 'Harvest' season. From schools, churches, community groups, faith groups and many more we have been overwhelmed by your giving and support during what we know has been a difficult season for many. We can only continue to do the essential work that we do through our Foodbank because of groups and individuals like yourselves who partner with us. You help us to fulfill our mission of loving & serving others in this very practical way.

This Harvest season, we held our own Harvest celebration and paused to give thanks for God's continued provision and gifts in our world. Included within, we give thanks for those like yourselves who join in in trying to ensure that all have access to the essentials, even during some of the most difficult days. Our referrals continue to remain at a high level, despite many other organizations across the city also offering food support throughout the pandemic. Unfortunately, this shows that the need is as great as ever.

However, as we approach the Christmas season, when we fully expect referrals to be high, we are pleased to be in such a blessed position with good food stocks at this time.

So a huge thank you from all of us at Preston Salvation Army for your generous giving throughout these past weeks.

Every Blessing,

Debbie & Dominic (Captains) & Claire, Nat & the Foodbank Team
