

Year 1/2 Home Learning - Autumn Term

Mathematics

(You must complete these activities)

- ★ Learn your 2, 5 and 10 times tables.
- ★ Play "Hit the Button" online.
- ★ Make a picture by drawing round shapes found around the house. Write their names and properties.
- ★ There are activities on Mathematics for you to complete.

English - Writing, Phonics

(You must complete these activities)

- ★ Walk somewhere in your local area. Make notes about what you can see, feel, hear and smell. Use your notes to write a description. Remember to use capital letters and full stops. To make sure your description is enjoyable for the reader, make sure you use a variety of sentence starters.
- ★ Learn to write your home address.
- ★ Go on Letter-join and practise 'harder letters' and 'easy words' - wk9133 home

English - Reading

(You must complete these activities)

- ★ Visit the library.
- ★ Read to someone you have never read to before.
- ★ Read about our local area; discover what places there are to visit on our doorstep.
- ★ Draw a picture of your favourite book character and write some sentences about them. Think about what they look like, what they think and how they feel.
- ★ Read your library book somewhere you've never read before.

Science

Create a picture/model of the bones in your body. Can you label the parts?

Geography/History

- ★ Choose a place that you like to visit in our local area. Can you find out about its history? When was it built? Has it always been used in the same way?
- ★ Draw a simple map of your journey from home to school. Label the things you see.

On Our Doorstep

- You must **complete all the core activities** above (Mathematics, English and Reading)
- Select **three** topic activities to complete. You can choose which activities you find the most interesting.
- **Presentation must be your best!**

Hand in date: **Wednesday 8th December 2021**

Showcase: **Thursday 9th December 2021**

Computing

Use your CodeSpark login details to begin your coding adventure online.
