Dear Parent/Carer,

I am writing to let you know about musical activities and opportunities available at **Preston Music Centre**. Beginner, intermediate and advanced lessons are available on all instruments including piano, keyboard, drums, guitar, trumpet, trombone, horn, tuba, violin, viola, cello, flute, clarinet and saxophone. Singing lessons are also available.

The Centre also offers beginner bands/ensembles for wind, brass and string players with weekly rehearsals and the opportunity to perform in regular concerts. It's also a great way to meet new friends!

If your child enjoys singing there is also the *Showstoppers Pop Choir!* (Yr6 upwards)

Preston Music Centre meets at Fulwood Academy, Black Bull Lane, PR2 3PD on Tuesdays and Thursdays between 4.00 – 7.00pm

Please see <https://www.lancashiremusicshub.co.uk/site/make-music/preston-music-centre-2/> for full details and to register for lessons. Alternatively, please contact me directly by email or text for more information or to discuss.

New starters very welcome!

With best wishes,

Christopher Cull
