### Support Ukraine

Thank you to everyone who took part in our fundraising last Friday for families in Ukraine. The money will go to those in crisis during this difficult time.

### Nut Allergies

A reminder - please don't send nuts into school, we have a number of children who have nut allergies.

### Toast - KS2

Toast will be continuing for KS2 at 20p per slice, Fruit Teacake will be 30p.

## Online Safety at St Anthony's

Thank you for completing our online safety survey via Group Call. We have received honest and valuable feedback which has meant as a school we now have a great insight into how and why our children access the internet at home.

A common suggestion as a result of this survey, was for parents and carers to receive up-to-date advice and information regarding current online safety measures, conflicts and new elements to the internet that your child/ren may be exposed to and how best to support this at home. At St Anthony's we are going to begin with #WakeUpWednesday, an approach in line with National Online Safety. The #WakeUpWednesday campaign is viewed as one of the most trusted and reputable learning resources in the UK, providing expert advice on the latest platforms and online risks that parents and carers need to know about through a beautifully engaging and content-rich design. Every Wednesday you will receive a brand new guide via Groupcall. This week's advice has been attached to our newsletter. Miss Clarke, Computing Leader.

## Class & Team Photos

A reminder school photographs (class & teams) are being taken next week on Thursday 24th March.

## Wear a Hat Day- 25/3/22

March is Brain Tumour Awareness Month and our Year 5/6 School Council would like us all to show our support to this fantastic cause by taking part in 'Wear a Hat Day 2022'. Donations can be made via Parent Pay. We invite you all to wear your funkiest hat, if you don't have one you can make one! We look forward to seeing everyone in their hats!

## WORLD MATHS DAY 2022!

On Wednesday 23rd March, we will be celebrating World Maths Day with a full day of fun challenges to enrich our curriculum and promote maths throughout our school. We will explore some fun elements of this vital aspect of learning with a worldwide Mathematics competition, whole school Times Tables Rock Stars challenge and many other enjoyable activities. We are asking for your support in enabling your child to come to school with an item of clothing, outfit or accessory associated with number. This could be as simple as a numbered sports shirt or badge or a more elaborate outfit if you choose. To cover the cost of prizes for the day, we are asking for a donation of £1. Thank you for your support in preparing the children for this.
