

2021/22 Summer Term Home Learning- Year 5/6

Mathematics

- ***MATHLETICS:** Can you earn at least 1,000 points each week? Work through the assigned tasks before competing in the LIVE maths!
- *Practise times tables until you are confident with them. Go on TTRS.
- *You are hosting an end of year party. You have a budget of £50. Plan your party and work out how much money you have left, after buying the necessary items.
- *Create a game to teach a Year 1/2 child how to tell the time.

Writing

- Log into Letter Join and complete the activities.
- Write a biography about Queen Elizabeth II.
- Create an introduction for our school website.

Reading

- * Read aloud every night to an adult. How many times can you do it this week and get your book signed?
- * Create your own picture book that you can share with the class.

STEM

Create a patterned bird bath to place in the Forest School area.

If you were an engineer, what would you design for the Queen to travel around the country in; she must be able to be seen by onlookers?

P.E

Create a dance to celebrate the Queen's Jubilee. You could experiment with different genres from different periods of her reign.

Take part in a Park Run.

Art

Design and make a crown to celebrate the Jubilee.

Use Google Drawings to design a new school logo.

Geography

Research Table Mountain in South Africa. Create a Kahoot Quiz for the class to complete about the information you find.

Look at the countries that make up the Commonwealth and create a fact file about the similarities and differences between them.

Please complete as many activities as you feel you can, in the time available. We encourage you to work together as families to do so.

Presentation must be your best!

Check in date: 13th June 2022

Hand in date: Wednesday 4th July 2022

RE

Create a modern set of commandments to help the children in Reception understand how to act in daily life. Present it in an eye-catching way.
