Please aim for zero absences and try to avoid booking any appointments within school hours.

Thankyou.

### Reading at Home

We have noticed that some children aren't reading regularly at home. Reading for 10 minutes every day can really help your child learn to read and promote enjoyment and a love of books. From next week, children in KS1 will have a reward chart in class for their reading at home. Please remember to write in your child's reading record when you have listened to them read and bring book bags to school every day.

### Home Learning

All children will have received their summer term Home Learning Menu this week. We are happy to share that the children's efforts will be celebrated in a summer term Home learning Showcase after school on Thursday 7<sup>th</sup> July. We are excited to see the wonderful learning across the school at the showcase. We hope you are looking forward to supporting your child with their learning at home and thank you in advance for your support in ensuring your child is proud of what they produce. Please contact school if you are having any issues with resources or time. There will be a home learning lunchtime club available to the children each Tuesday if they need the extra time

### My Happy Mind Project

We have introduced a program to all year groups at school called myHappyMind. myHappyMind is based around helping children to understand how their brain works and to support them in developing positive skills and habits to be their very best selves! Further information can be found in the attached letter.

I will be holding myHappyMinds clubs at lunchtime - children can choose to come and chat/play games.
