IMPORTANT NOTICE REGARDING CHANGES TO SCHOOL HOURS

From September 2022 we will be changing our school hours for pupils to comply with DfE guidance.

From Monday 5th September 2022 school will open for pupils from 8.45am until 3.15pm.

We are aware this may not be feasible for all, therefore anyone who cannot comply from September may continue to arrive at school at 8.55am (normal school opening hours) and your child will not be penalised for lateness. We will no longer be operating staggered start times, lunch times or finish times going forward.

We will shortly start a consultation period with all involved, with a view to this being enforced formally from January 2023.

Yours sincerely

Mrs Rachel Ballard
Headteacher
