Dear Parents/Carers

We are looking to find out your views on childcare for primary school aged children. If you do not currently use childcare before or after school, we would still like your feedback.

From Sept 2024, the government have announced funding for a national wraparound childcare programme. This is to enable schools and local providers to set up and expand before and after school (wraparound) childcare provision and can include private, voluntary and independent organisations, schools and childminders. The wraparound childcare can operate on a school site or at another setting in the area, term time only.

To support the delivery of this programme, we need to understand your wraparound childcare needs. If you currently use before or after school childcare and the opening times do not meet your needs, we would like to hear about what could work for you. We would be delighted if you could complete the survey by clicking this link <https://online1.snapsurveys.com/vt082j> or scanning the QR code below using a mobile or digital device. The survey should take no more than 5 minutes to complete.

Thank you in advance for taking the time to assist us.
