SCHOOL MEALS

Week commencing 3rd February will be week 1 of the Autumn/Winter Menu

Key stage 2 school meals are now charged at £2.70 per day for paying parents

We have continued this week with our focus on the Jubilee Year, Pilgrims of Hope. With the evenings getting lighter, as we move into February this weekend, our sense of hope builds as we move towards spring.

We have a busy week ahead, as it is Children's Mental Health Week, National Storytelling Week and NSPCC Number Day takes place on Friday. We will begin the week with a special assembly launching Children's Mental Health Week, this will be followed up in classes throughout the week.

Key Stage 2 children will be engaging in a storytelling workshop and, across the school, the children will be enjoying a range of stories and storytellers! Our week will conclude with fun Maths related activities, a raffle and class bingo. We are sure that the children will enjoy sharing with you their experiences from the week.

Have a lovely weekend!

Sporting News

Elliot and Lewis from Year 4, Zach from Year 3 and John from Year 2 took part in a Curling event this week. The boys demonstrated exceptional composure, teamwork and resilience, securing four wins and a draw before a tough semi-final loss. Mr Pitcher, who took the boys, was incredibly proud of their performance and sportsmanship throughout the competition. Well done everyone!

Reception Stay and Play

What a fantastic turnout we had at this week's Reception Stay and Play session. The children had so much fun showing off their lovely classroom and completing the Maths activities with their parents and grandparents. A huge thank you from our Reception team to those of you who attended for helping to make the session such a success. Please do not worry if you weren't able to attend this one, we are planning to host another session next term.

National Lego Day Event

Tuesday was National Lego Day and to celebrate this a group of our key stage 1 and 2 parents/family members joined the children, Mrs Alty and Lancashire Adult Learning for a STEM lego family session.

The session encouraged and promoted engineering creativity through the use of lego. The children planned and constructed amazing models using their imagination, critical thinking and problem solving skills. They also completed challenging lego related tasks in a set time frame.

The session helped to build the children's confidence as well as providing them with the opportunity to work well with their parent/family member and the other children who took part in the session.

Thank you to the parents/family members who attended for their support and positive feedback.

School's Sports Kit

As part of our ongoing efforts to ensure that all children have the necessary equipment for sporting events, we are conducting a quick stock check of school's sports kit.

Please can we ask that you take a moment to check at home for any sports tops, shorts, socks, or other items belonging to school. If you manage to locate anything, please can your child drop it off at the school office. Thank you for your support in helping us keep track of our sports kit.

Polite Request

1/2T	98.1%
1/2A	88.3%
3S	95.9%

5S	95.8%
5/6T	98.4%
6A	95.9%
Whole School	95.0%
Whole School Target	96.0%

Attendance Winners - A huge well done to class 5/6T who have achieved 98.4% attendance this week.

Punctuality – Registration is at 8.45am prompt and when a child arrives in class after 8.45am they receive a late mark. Arriving on time is important, being late means that children miss the start of lessons, which means lost learning.

No Lates – Well done to Class 3/4T who have had no lates this week.

Attendance Reminder

Please can we remind you, if your child is going to be absent from school due to illness, it is essential that you contact the school office before the start of each school day. Your child's absence will be recorded as unauthorised unless we hear from you.

Any holidays taken during term time will always be unauthorised unless there are exceptional circumstances. Penalty notices may be issued for absences of five days and over.

St Anthony's School Council Fundraiser

Our School Council has chosen St Catherine's Hospice as their charity to support this year. Our first fundraising event will be a 'Home clothes/Pyjama day' on Friday, 14th February. Donations of £1.00 per child can be made through Parent Pay accounts.

Thank you for your support.

Author Visit

The talented Joanne Moore will be joining us in school on Wednesday, 5th March for a whole school read and an ambitious writer's workshop shortly after.

Joanne's stories are about differences and self-belief and they aim to promote inclusion. Books cost £7.99 from Amazon, or Joanne is willing to discount any pre-ordered books placed through her to £7.00. Pre-ordered books MUST be placed and paid for no later than two weeks prior to Joanne's visit so the cut-off date is Wednesday, 19th February and any payments received after that date will be refunded. Books are payable through PayPal:-

Thebitdifferentcollection@hotmail.com.

Please include your child's name in full, our school name and class, the title of the book you would like to order and the name(s) of the child/children to appear in the signed message if you want it to be signed. (E.g. Joanne Moore, St Anthony's Catholic Primary School, Year 1/2S, 'Bertie', signed to Jo). Joanne is also happy to sign her books on the day.
